New from M48, the Destroyer Tactical Tomahawk is a masterpiece of the "Stronger. Sharper" design that you come to expect from United Cutlery. The 2Cr13 cast stainless steel axe head has a black oxide coating to make it practically impervious. The 4 1/2" blade has a smooth satin finish and a razor-sharp edge. The handle is constructed of an almost indestructible injection molded nylon with a fiber fill. Special grooves are designed into the handle specifically so that paracord can be wrapped around it with ease. A new and improved nylon sheath is included and this tomahawk is 16" in overall length.
