An homage to the iconic fixed blade knife carried by Marines for decades, the USMC Push Dagger has the familiar stacked leather handle look. It has a 3 1/4" razor-sharp stainless steel, double-edged blade with a black, non-reflective finish and the Marines logo. The TPU stacked handle is 3-D printed to mimic the iconic stacked leather handle of the traditional Marine fixed blade. The 5 1/2" overall push dagger can be carried and stored in its tough nylon belt sheath, which has USMC printed on it.
