In the Colombian jungles there's no time for playing around. Your mission is to survive, and you need a machete like the jungle warriors turn to. This Columbian Panga Machete is perfect for hacking through the toughest trees and vines with its thick, full-tang, black-coated stainless steel 15" beast of a blade that not only looks mean, but can take a beating and not lose its edge. The injection-molded handle feels soft in your hand, but won't slip when you get sweaty. A looped cord wrist lanyard ensures it won't stray far. Includes molded black nylon belt loop sheath.
