The M48 Talon Dagger takes its design inspiration from the popular M48 Talon Survival Spear and gives you an awesome spear that will fit comfortably on your hip and in one hand. It has a 3/8" thick, 6 7/8" cast 2Cr13 stainless steel dagger blade with a black oxide coating and satin finish highlights. The G10 handle scales are securely attached to the full tang with heavy-duty screws and the handle has a paracord lanyard. The 11 5/8" fixed blade knife slides securely into an injection molded TPR and nylon belt sheath, which has a snap closure strap.
