Night Watchman Tactical Mace is a deterrent you can count on when you're facing the toughest situations. It is a solid piece of injection-molded polypropylene, which features large and small spikes. The ridged, secure-fit handle ensures that you have a rock-solid grip. As an added measure of security, a paracord wrist lanyard is attached to keep it in your control when you're using it. The 20" overall Tactical Mace also features a glass-breaker on the pommel and a weighty heft to it that will actually break the glass.
