Designed specifically for law enforcement agencies, the Night Watchman War Hammer is a deterrent you can count on when you're facing the toughest situations. The war hammer has a solid, one-piece injection-molded polypropylene construction and features deterrent spikes. The 10 1/4" head has a hammer head crowned and circled with spikes and it has a penetrating tomahawk-style back. It has a deeply grooved handle for a no-slip grip and a skull-crusher pommel with a lanyard hole for a wrist lanyard. The 22" overall war hammer also features a glass-breaker on the pommel and a weighty heft to it to break the glass.
