Made famous by the notorious Uruk-Hai from the epic motion picture trilogy The Lord of the Rings, this wicked looking blade is a menacing and dangerous weapon on any battlefield. Made using a more simple design, it was the strength of the Uruk-Hai that gave this weapon its power. Now, replicated in high-quality latex with a suede wrapped grip, any human can wield this blade and unleash the orc within.

Product parameters:

- Total length: 78,7 cm
- Weight: 227 g
