The glory of Camelot and the Knights of the Round Table are embodied in this powerful latex blade with a wide crossguard. Good for both single or hand-and-a-half use, it has an antiqued hand-hammered brass colored pommel and crossguard. Built to withstand excessive pounds of stress, it features a suede wrapped, hard rubber handle for good balance and excellent control.

Please Note: This is not a metal weapon; it is a quality latex weapon for LARP and other forms of action play.
