Windlass Steelcrafts

[See it in our store.](#)

This medieval Orleans Battle Axe is from Windlass Steelcrafts Battlecry collection. Designed specifically to be used and made from 1065 high carbon steel with a darkened, battle-hardened finish, extra wide tang and tempering to a low 50's HRC. The hands-on nature of the manufacturing by master smiths makes this line unique. Comes with certificate of authenticity signed by each smith that touched your axe through every step of the forging process.
