ZT and Strider joined forces to design this top-quality combat folder equipped with SpeedSafe® manual assisted opening. The ambidextrous thumb stud or blade protrusion enables you to deploy the blade one-handed. In addition to SpeedSafe®, the 0302 features a tough S30V stainless-steel blade with "Tiger Stripe" Tungsten DLC (Diamond Like Carbon) coating, which enhances hardness and reduces friction drag—as well as providing a non-reflective camo surface. The blade is matched with Coyote Brown G-10 scales, 3-D machined to provide a secure grip. A 3/8-inch hex head pivot shaft nut makes field adjustments possible with minimal tools. Includes a quad mounting system for tip-up, tip-down, left- or right-handed clip carry.

Product parameters:
